HOMEMADE BABY Summers in Nantucket!
America's Freshest All-Organic Baby Food Has Arrived!
At Nantucket STOP & SHOP®.

Shawkemo, Nantucket Island – (July 20th, 2008) – HOMEMADE BABY, America's only FRESH all-organic food for babies and toddlers has arrived for Summer Holidays onto the island. The yummy new FRESH All-Organic baby food is available exclusively on Nantucket at STOP & SHOP® on Sparks Avenue.

[Theresa Kiene](#), Co-Founder & Chief Executive Mommy at [HOMEMADE BABY](#) and a noted advocate of feeding babies fresher foods, started the company to help parents feed their babies and toddlers the freshest all-organic foods possible, so they can live healthier lives. Theresa says "Cooked from scratch is the gold standard for moms." But, she continues, that "cooking from scratch is not always practical for today's busy parents. For those times, HOMEMADE BABY offers FRESH, All-Organic foods cooked fresh daily in our own kitchens."

HOMEMADE BABY is on an upswing as fresh, organic, & traceable become the buzzwords of a new generation of fresh minded moms. HOMEMADE BABY is America's ONLY baby food that guarantee's traceability with its unique & proprietary MEAL INTEGRITY SYSTEM™. Not just batch traceability, but specific farm AND field traceability where the ingredients were grown. It's all documented--from Field To Fingers!™.

HOMEMADE Baby's 10 delicious and healthy fruit and vegetable varieties are certified organic by the USDA, and Oregon Tilth. The recipes are also certified Gluten Free and Kosher. Homemade Baby ingredients are grown without the use of GMOs and the foods are recommended by the Feingold Diet (real food for kids without any additives & chemicals).

America's freshest food for babies and toddlers is available in twin packs featuring two scrumptious meals in re-sealable 4 ounce containers for about \$2.99, in the refrigerated dairy section (next to baby yogurts) at Stop & Shop on Sparks Avenue. HOMEMADE BABY is also available in MA at Roche Bros Stores in Westborough, Wellesly, and Marshfield. Money saving coupons are downloadable from www.homemadebaby.com, and Buy One Get One Free Coupons can be found at the STOP & SHOP® (while coupon supplies last).

About HOMEMADE BABY

Founded in 2005 by two parents desperate for healthy, wholesome food for their small children, HOMEMADE BABY is the first company in America to offer fresh all-organic baby food. The HOMEMADE BABY kitchens are located in Culver City, Calif., and feature a baby food “tasting room,” where parents and babies are invited to drop by and sample the company’s latest creations. HOMEMADE BABY donates 10 percent of the food it makes to charities that serve undernourished children. For more information about the company, please visit www.homemadebaby.com.
